

Medical Genetics Ph.D. Program

Pre-requisite Classes

Human Genetics-

Molecular Genetics

Cytogenetics

Genetic Engineering

Immunogenetics

Cancer Genetics

Population Genetics

Behavior Genetics

Core Classes

Adv. Molecular Genetics

Genetic Counseling

Genetic Engineering and Adv. Molecular Biotechnology

Adv. Cytogenetics

Adv. Mol. Cytogenetics

Adv. Mol. Genetics

Adv. Cancer Genetics

Adv. ImmunoGenetics

Hospital Specialty Internship

Dissertation

Non-Core Classes

Micro-organism Genetics

Human Biochemical Genetics

Ethics and Biosafety

Cytoplasmic and Somatic Genetics

Sign and Symptom Recognition in Disease
